### November 4

- Business plans
- Internet resources and tools

### November 11

- Fence law
- Your topics

## Why Annie's Project?

This 18-hour course is a discussion-based workshop bringing women together to learn from experts in production, financial management, human resources, marketing and the legal field. There's plenty of time for questions, sharing, reacting and connecting with your presenters and fellow participants.

It's a relaxed, fun and dynamic way to learn, grow and meet other women in agriculture.

*"Annie's Project helped us start on what we would like to happen to our farm once we chose to step away from it full-time. Little did we know that several years later my husband would pass away. Every topic covered by Annie's Project gave me the tools I needed to carry on the family farm legacy with our children, who were 13, 15 and 24 at the time." ~Tina*

## Thursdays from 6:00 pm – 8:30 pm

Weekly interactive online session via zoom, and self-paced activities and videos. To register visit:
